

World Book Day

Queensgate Reading Ambassador's
Newsletter - February 2023

World Book Day 2023

For this year's World Book Day, children will be enjoying sharing books with their Queensgate friends and will be taking part in fun World Book Day activities.

This year's theme is..
'You Are A Reader'

which focuses on ensuring that all children have the opportunity to enjoy reading regularly.

This year, children are **not** required to wear a costume representing their favourite fictional book character. Children can choose whether to wear pyjamas, loungewear or non-school uniform.

Matchbox Book Challenge

We would like all the children to take part in our Queensgate Matchbox Challenge.

Choose a favourite book and represent the story creatively within the matchbox.

These can be brought into school on WBD and will then be shared throughout the day, alongside their favourite book, with our Book Buddies in a different class.

The Queensgate Reading Ambassadors will ensure that everyone has a highly enjoyable time to enjoy the books they adore.

We hope that everyone will have a spectacular time this World Book Day 2023.

Keep Reading!
