My Weekly Home Learning Tasks

Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

Reading is the one key skill that will make a difference in **your life**. You should be aiming to read your **library book** with your parents **every day**.

At Queensgate, we are trying to promote the idea of reading for pleasure. You are expected to read at least 3 times per week with an adult and this must be recorded in your planner.

Spelling Shed - login and go into Stage 3 and 4. This is where we should be. You can recap your Stage 1 and 2 spellings, too.

Spellings/Handwriting

Can you use diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined?
Can you increase the legibility, consistency and quality of your handwriting?

TT Rockstars - You should be going on everyday (it doesn't need to be more than 5 mins!)
