

Queensgate Primary School

Home Learning

Out: Tuesday 11th June 2019
Due Back: Monday 17th June 2019

My Weekly Home Learning Tasks

Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

Reading is the one key skill that will make a difference in **your life**. You should be aiming to read your **library book** with your parents **every day**.

At Queensgate, we are trying to promote the idea of reading for pleasure. You are expected to read at least 3 times per week with an adult and this must be recorded in your planner.

Spelling Shed - login and go into Stage 3 and 4. This is where we should be. You can recap your Stage 1 and 2 spellings, too.

Spellings/Handwriting
Please learn this week's spelling for next week. On Monday, we will do a mini test on these words.

TT Rockstars - You should be going on everyday (it doesn't need to be more than 5 mins!)

+ My Home Learning PLUS +

Time

Before the holidays, we learned about the number of seconds in a minute and the number of days in each month, year and leap year. In Year Two, you learned to tell the time to five minutes, quarter past/to the hour and draw the hands on a clock face to show these times.

Next week, we will be learning to tell the time in minute and five minute intervals from an analogue clock. Please complete the pre-learning activities and look at this [these time games on your iPad](#).

Thank you
Year 3
Mr Berger-North

History

Next week, we will be learning about Tutankhamun and the discovery of his tomb.

Can you create an engaging information poster about this incredible archaeological discovery? [Use this link for help](#).

Remember to make this outstanding as it will go in your history books. House Points for most appealing and informative posters!
