My Weekly Home Learning Tasks

Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

Reading

is the one key skill that will make a difference in **your life**. You should be aiming to read your **library book** with your parents **every day**.

At Queensgate, we are trying to promote the idea of reading for pleasure. You are expected to read at least 3 times per week with an adult and this must be recorded in your planner.

Spelling Shed

Spelling Shed - login and go into Stage 3 and 4. This is where we should be. You can recap your Stage 1 and 2 spellings, too.

Spellings/Handwriting
You MUST learn this week's spellings. On Mondays, I will test you on these words by dictating sentences.

At the end of Year 4, In June 2020, you will take an online timed times tables check.

TT Rockstars - You should be going on everyday (it doesn't need to be more than 5 mins!)

Maths

Please complete the 5-a-day challenges. You can complete one each morning or after school.

Which strategy will you use?

Partitioning, number lines, columns, 100s then adjust, bar models (part-whole)

Thank you
