

# Queensgate Primary School

## Home Learning

Out: Tuesday 29th October 2019  
 Due Back: Monday 4th November 2019

### Weekly Tasks: Reading, Spellings, Times Tables

Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

**Reading** is the one key skill that will make a difference in your life. You should be aiming to read your library book with your parents every day.

At Queensgate, we are trying to promote the idea of reading for pleasure. You are expected to read at least 3 times per week with an adult and this must be recorded in your planner.

### Spelling Shed

Login and go into Stage 3 and 4. This is where we should be. You can recap your Stage 1 and 2 spellings, too.

#### Spellings/Handwriting

**You MUST learn this week's spellings. On Tuesdays, I will test you on these words by dictating sentences.**

At the end of Year 4, In June 2020, you will take an online timed times tables check.

[Test Yourself here.](#)

**TT Rockstars** - You should be going on everyday (it doesn't need to be more than 3 mins!)

### + My Home Learning PLUS +

#### History

**What was so special about Stonehenge?**

Research link:

[What is Stonehenge?](#)

Can you create a Stonehenge A4 information poster?

Please include the following on your poster:

Why do you think Stonehenge was built?

What was Stonehenge was used for?

Can you add and write down all the different reasons to your poster?

#### Design and Technology

Please also bring in a bag of dry sticks into school. These sticks will be used for our D&T project.

Please bring in sticks around 30cm long.

Thank you

Year 3

Mr Berger-North

## Frequently asked questions:

### Do I complete home learning in pencil or pen?

Pencil please. When appropriate, use colouring pencils, too.

### How long should home learning take?

Should not take more than one hour in total.

If you have any difficulties with home learning or if it seems to be taking rather a long time to complete, then you should stop. Your parents may want to put a note on the piece of work to say that you have done your best.
