

Queensgate Primary School

Home Learning

Out: **Tuesday 19th November 2019**
 Due Back: **Monday 25th November 2019**

Weekly Tasks: Reading, Spellings, Times Tables

Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

Reading is the one key skill that will make a difference in your life. You should be aiming to read your library book with your parents every day.

At Queensgate, we are trying to promote the idea of reading for pleasure. You are expected to read at least 3 times per week with an adult and this must be recorded in your planner.

Spelling Shed

Login and go into Stage 3 and 4. This is where we should be. You can recap your Stage 1 and 2 spellings, too.

Spellings/Handwriting
You MUST learn this week's spellings. On Wednesdays, I will test you on these words by dictating sentences.

At the end of Year 4, In June 2020, you will take an online timed times tables check.

[Test Yourself here.](#)

TT Rockstars - You should be going on everyday (it doesn't need to be more than 3 mins!)

+ My Home Learning PLUS +

Writing

Hidden Figures.

Big Dreams.

Over the past week, you have been writing your own diary entries in first person, impersonating different black women who had phenomenal resilience and determination.

Nothing stopped them from pursuing their dreams and aspirations.

Can you write your own diary entry describing what you hope to be when you're older? How would you like to help the world of tomorrow?

You must use:

- first person
- a range of conjunctions
- paragraphs (remember those indents!)
- an illustration of your future self.

Thank you
 Year 3
 Mr Berger-North

Frequently asked questions:

Do I complete home learning in pencil or pen?

Pencil please. When appropriate, use colouring pencils, too.

How long should home learning take?

Should not take more than one hour in total.

If you have any difficulties with home learning or if it seems to be taking rather a long time to complete, then you should stop. Your parents may want to put a note on the piece of work to say that you have done your best.
