

# Queensgate Primary School Home Learning

Year  
3

Out: **Wednesday 5th February 2020**  
Due Back: **Monday 9th February 2020**

## Weekly Tasks: Reading, Spellings, Times Tables

Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

**Reading** is the one key skill that will make a difference in your life. You should be aiming to read your library book with your parents every day.

At Queensgate, we are trying to promote the idea of reading for pleasure. You are expected to read at least 3 times per week with an adult and this must be recorded in your planner.

**Spelling Shed** 

### Spelling Shed

Login and go into Stage 3 and 4. This is where we should be. You can recap your Stage 1 and 2 spellings, too.

#### Spellings/Handwriting

You **MUST** learn this week's spellings. On **Wednesday**, I will test you on these words by dictating sentences.

**TIMES TABLES  
ROCKSTARS**

At the end of Year 4, in June 2021, you will take an online timed times tables check.

[Test Yourself here.](#)

**TT Rockstars** - You should be going on everyday (it doesn't need to be more than 3 mins!)

**+ My Home Learning PLUS +**

## English - Open ended questions

Can you write down four open ended-questions to ask the Queen of Narnia?

### Tip 1

Start your questions with:  
What, When, Where, Who, Why or How.

### Tip 2

End your questions with a question mark.

Thank you  
Year 3  
Mr Berger-North

## Frequently asked questions:

### Does my child need to do home learning PLUS?

Yes. If there is no home learning PLUS complete the weekly tasks (reading, spelling and TT Rockstars).

### Do I complete home learning in pencil or pen?

Pencil please. When appropriate, use colouring pencils, too.

### How long should home learning take?

Should not take more than one hour in total.

If you have any difficulties with home learning or if it seems to be taking rather a long time to complete, then you should stop. Your

parents may want to put a note on the piece of work to say that you have done your best.
