

# Queensgate Primary School

## Year Five Home Learning

You will find a selection of home learning activities below, just click on the image and this will take you directly to the task.

1. Read regularly with an adult and discuss what you have read
2. Regular times table practice

### English Tasks

You'll need to complete a 20 minute pre-test so the program can find the right level texts for your ability. You must complete this independently and in one sitting. Then carry out the reading tasks and comprehension questions.

Start each day with a weird, wonderful and/or thought provoking image that will inspire you to write creatively. Answer the questions underneath the image; improve the 'sick' sentences that are given — a quick, simple and fun way to cover that grammar, punctuation or spelling objective; attack the sentence challenge either as revision for what you have been learning in school and to finish with, create a short/extended story using the story starter provided.

1. Story starter task
2. Sentence challenge!
3. Question Time!
4. Sick sentences

### Newspaper Report Task

We have recently been writing newspaper reports.

Write a newspaper report based on a news story seen on Newsround or imagine you're a newspaper reporter in Shakespeare's Verona - and describe the events taking place. Have a headline, by line, a lead, paragraphs on each of the 5s, direct and reported speech.

Can you include the features below?

- Relative clauses to provide more detail
- selecting appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning
- Build cohesion between paragraphs. 'It has been suggested that...'
- ensuring the consistent and correct use of tense throughout a piece of writing

## Maths Tasks

Please see the attached file within the blog for the 'Fluent in Five' activities.

Please see the attached file within the blog for the 'Rapid Reasoning' activities.

Click the link to access your year group page.

## Topic Task

Research WWII, with a focus on the Blitz and how people protected themselves with air raid shelters.

## Ongoing Weekly Tasks

## Computing

Log into [iLearn2 link](#) with the username: **queensgatepupil**. The password is **pupil**. Explore the learning activities we have covered so far in Year 5.

- Programming in Scratch
- Animation
- Data handling
- Internet Research

These can be accessed either on tablets or PCs.

# Languages

Over the last term and a half we have been developing our language skills in Year 4.

Click on the link below, choose Stage 3 (which is Year 5) and work through the activities, key content and watch the video.
