

Queensgate Primary School

Home Learning

You will find a selection of home learning activities below, just click on the image and this will take you directly to the task.

Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

English Tasks

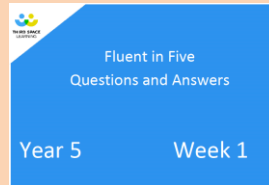

READTHEORY *Reading and Writing, Improved.*

1. Access your **Read theory account** and carry out the reading tasks and comprehension questions

2. Start each day with a weird, wonderful and/or thought provoking image that will inspire you to write creatively. Answer the questions underneath the image; improve the 'sick' sentences that are given — a quick, simple and fun way to cover that grammar, punctuation or spelling objective; attack the sentence challenge either as revision for what you have been learning in school and to finish with, create a short/extended story using the story starter provided.
 - Story starter task
 - Sentence challenge!
 - Question Time!
 - Sick sentences
3. **Explanation text writing** - We have been building up to write our final piece explaining 'How volcanoes erupt'. Have a go at writing it and remember to include all the features we have focussed on including sequential openers and two part sentences.

Maths Tasks

Please see the attached file *within the blog* for the 'Fluent in Five' activities.

Please see the attached file *within the blog* for the 'Rapid Reasoning' activities.

Please see the attached file *within the blog* for the 'White Rose' activities.

Topic Task

Following on from our research into Roman catapults, think about what you know about levers and find out more about how fulcrums are used.

Have some fun and create a mini marshmallow catapult using the attached sheet to help

Computing

Log into [ilearn2 link](#) with the username: **queensgatepupil**. The password is **pupil**. Explore the learning activities we have covered so far in Year 4.

- Programming in Scratch
- Animation
- Data handling
- Internet Research

These can be accessed either on tablets or PCs.

Languages

Over the last term and a half we have been developing our language skills in Year 4.

Click on the link below, choose Stage 2 (which is year 4) and work through the activities, key content and watch the videos.

[Click here to open the French Home Learning document below!](#)

This block contains a grid for 'KS2 French SoW- Home learning' and three activity options. The grid is organized into four stages (Stage 1 to Stage 4) and four rows of topics. Each cell contains a topic name and a set of three colored buttons (blue, green, red).

Stage 1	Stage 2	Stage 3	Stage 4
Greetings	Classroom	School	Revival
Numbers	Family	City	Routine
Colours	Body	Market	House
Months	Shops	Clothes	Spots
Fats	Days	Face	Favourites

Below the grid are three activity options:

- A Activities**: Scan the QR's and play games
- K Key Content**: Practise the key vocab & sounds
- V Video**: Watch the video, join in!

This block shows a 'Pupil lead activities & games sheet' for 'Autumn 1 Stage 1 French'. It includes QR codes for 'Greetings', 'Sound spelling', and 'Sound Bank'. The 'Sound spelling' section shows the word 'Bonjour' with its phonetic breakdown: 'bon', 'joor', 'joor'. The 'Sound Bank' section lists 'Greetings', 'Feelings', and 'Asking a name'. A video frame on the right shows a woman in a black dress standing in front of a whiteboard that says 'Bonjour'.
