

Queensgate Primary School

Home Learning

Below you will find the areas to focus on with your child this week. The children will have already been taught the sounds, tricky words and numbers below so this is an opportunity for them to consolidate and apply their learning. Please also remember to read regularly with your child at home and access the suggested websites for more activities for you to do at home.

Sounds of the week

Mrs Aitken's
Group

Miss Sutherland's
Group

Miss White /
Mrs Heath's Group

oa (boat)

oo (zoo)

qu (quiz)

ch (chick)

s (sat)

ss (hiss)

Can your child think of any words that have these sounds in? Can they write a list of the words containing these sounds or write some sentences with these sounds in?

Tricky words

he

she

Can your child read and write these tricky words? Can they tell you what is tricky about the word? Can they say a sentence containing one or more of these tricky words? Perhaps they could write a sentence with these tricky words in? Can they spot the tricky words in books, stories online or in print in the environment?

Number of the week

12 twelve

Can your child identify this number? Can they count out the correct number of objects? Can they count on and back from this number? Can they tell you one more / one less? Can they find this number in the environment? How many different ways can they add together 2, 3 or 4 numbers to total this amount? Eg: $10+2=12$, $5+5+2=12$, $3+3+3+3=12$. Can they make this amount using coins?

ILD task

This week our area of learning is....

Understanding the World

We would love to know what forms of technology your child uses at home. This might be a tablet, a phone, a remote control or a microwave. Can they select and use different forms of technology for a particular purpose? Can they explain why certain appliances should only be used by an adult, such as an oven or a kettle?

Please take a picture of your child completing the task above and upload it onto the ILD. It would be great if you could please write a comment explaining what they were able to do and / or comments that they said during the activity.
