# Fluent in Five Questions and Answers

Year 4

Week 3

## Year 4 - Week 3

THIRD SPACE  
LEARNING

### This week in a nutshell:

By this week, children should have become familiar with the Fluent in Five challenge and therefore be increasing their speed. For the first time, days with two questions which require a written method are introduced.

This week:

- Multiplication facts for the 8 times table are tested.
- Mental multiplication focuses on multiplying by 10 and 100.
- Mental addition focuses on adding 2 single-digit numbers without crossing the tens or hundreds boundary.
- Written addition and subtraction calculations this week cross the place value boundaries in 2 places, but do not extend beyond 1 000.
- Both written multiplication and division is based on the 8 times table.
