CREATIVE TASKS

Outdoor Learning and Life Skills tasks:

- Go on a scavenger hunt. Can you find different items of the same colour from your garden or make a list and see how many you can tick off!

- Make a frame from 4 twigs - like a picture frame - and create a piece of art using leaves and flowers. You could collect these when you are on a walk.
- Open a 'café' for your family! Make a menu, set the table and make afternoon tea! Remember to make healthy choices too.
- Make your bed every morning - it is important to try and help Mummy and Daddy out every day ☺
