

'Raise a SMILE with a Rainbow'

Your challenge: To make something which can be used by a person who is staying at home.

Your product must:

1. **have at least one rainbow on it**
2. **make the user smile**
3. **be able to be used at home** (inside the house or in the garden)

PLAN

What am I going to make?

.....

Who am I making it for?

.....

WHAT WILL MY PRODUCT LOOK LIKE?

Can you draw a picture of your product?

WHAT WILL I NEED?

Can you make a list of what you will need to make your product?
