

## 'Raise a SMILE with a Rainbow'

**Your challenge:** To design and make something which can be used by a person who is staying at home.

### **FINAL PRODUCT**

Here is a photo of what I have made.

### **DID YOU SUCCESSFULLY COMPLETE YOUR MISSION?**

**Did your product:**

- have a rainbow on it?
- make the person smile?

**Could your product:**

- be used at home or in the garden?

### **EVALUATION**

If you were to make your product again, is there anything you would change?
