

Queensgate Primary School

Week beginning 22nd June 2020

We hope you enjoyed using 'Seesaw' last week. It was great to receive so many photos of the fantastic work you have been doing so make sure you keep sending them in!

If you haven't used 'Seesaw' yet, just log in using your unique text code, check your 'Inbox' for any announcements and then click 'Activities' to retrieve the tasks for this week. Each week, we will provide feedback on one piece of work set through 'Seesaw' so don't forget to upload a photo of what you have been doing!

This week's feedback task will be: English Task 4 - Descriptive story settings

We will look forward to seeing all your hard work!

English Tasks

1. **Spelling Shed Activities:** Login on 'Seesaw' and click 'Activities' to access some reading and writing activities featuring this week spelling rule: 'Adding '-es' to nouns and verbs ending in 'y'.

2. **Spelling Shed Spelling Practise:** You can also click on the SS logo to take you the official 'Spelling Shed' website, where you can practise this spelling rule online. You will need your username and password to access the website (these can be found in your reading journal).

3. **Rising Stars Reading Planet:** You have three new reading books waiting for you on 'Reading Planet'. Just click on the image and this will take you directly to the log-in page. Once you have completed each book, don't forget to complete the quiz to see how many questions you can get correct. It is important that you also click 'finished' at the end. Happy Reading!

4. **Using Adjectives:** Look through the 'Adam Adjective' presentation first, before choosing one of the settings to describe. To help you with your descriptive paragraph write down as many interesting adjectives as you can before you begin. Once you have finished, underline your adjectives using a coloured pencil crayon.

Don't forget to upload a photo of your descriptions onto 'Seesaw' for Mrs Makinson, Mrs Crawford and Mrs Rayner to see.
