Home Learning - Resource pupils

Hello everyone! I hope you are all well. I continue to miss you all !

Art and Craft Activity / maths task

Junk modelling

What can you create using boxes, tubes , rolls, lids, containers ... Perhaps you can create a car, a robot , a castle, a house, a giraffe or something wonderful that you have invented yourself ?! When you have finished can you label all the different shapes of boxes you have used? Post your finished product on Seesaw!

Art and Craft Activity

To follow on from the Scavenger Hunt activity can you create a treasure map and go on your own hunt? You can be as creative as you want. You can draw your own map or use cut out images to add to it. Adding labels would be even better! What might you have to pass to make it to the treasure? Where is your treasure going to be hidden? Don't forget to include 'x' to mark the spot! This is your FOCUS ACTIVITY for the week. I will give you feedback on this so please put your wonderful maps onto Seesaw.
