

Year Three

Week beginning 13th July 2020

Hello Year 3! Hope you are well. Continuing to miss you and thank you for all the home learning you have completed. Here are your new home learning tasks! Looking forward to seeing all your hard work soon!

New!

English

First News Comprehension

Using last week's First News, complete the Reading comprehension on Seesaw. Don't forget to look back on announcements to find the First News newspaper.

Handwriting tasks

Over the next few weeks, continue to focus on your continuous cursive letters and presentation. Continue to complete the sheets on Seesaw for you to use.

Keep up your Spelling shed! [Spelling Shed](#)

P.E.

Undertake a quest to release happiness (Happiness is spelt wrong for a reason!!) back into our world. Your mission is to win five magical keys. You will need them to unlock the chest where happiness is trapped.

Complete each task and share your success on Seesaw!

Design Technology (feedback)

Creating A Rube Goldberg Machine
A Rube Goldberg Machine is a machine which performs a fairly simple task, but in a very complicated and roundabout and convoluted way. They always include a chain reaction

Here are some examples of Y5 school children who have made their own at home:

Have a look at these YouTube videos with a parent to design your own '[Toilet paper/hand sanitiser](#)' or your '[Bell ring/balloon pop](#)'

Please make sure you agree some ground rules with others in your house before starting by reading the DT Task Rules.

Check out seesaw for your task!

Well-being

Kindness to yourself challenge

Each day this week, complete a kindness to yourself challenge card.
Share your card with me each day.

5 DAY ELSA SUPPORT
'Kindness to yourself' challenge

Day 1
Drawing or writing task - Compliments - Compliment yourself!
Talking or doing task - Think about all the things you do today that you deserve a compliment for!

Day 2
Drawing or writing task - Forgiveness - Write about a mistake you did today. What did you learn from it?
Talking or doing task - Any mistakes you make today, learn from them and move on. It is ok you can forgive yourself.

Day 3
Drawing or writing task - I am special - think about all the things that make you special. Write a list and keep adding to it!
Talking or doing task - Make a 'I am special jar' add everything you think of that makes you special. Add them to the jar and keep reading them!

Day 4
Drawing or writing task - What went well? - Make a diary entry on what went well today
Talking or doing task - Make your own diary using a writing book or use the computer. Decorate the front page with pictures of you.

Day 5
Drawing or writing task - Affirmations - Read about what an affirmation means and then make one of your own. Decorate it!
Talking or doing task - Look in a mirror and say the affirmation to yourself. Do you believe it?

English tasks

Shout outs!

Wow over 1462 books completed on **EPIC!**

Oh dear, we are still in **4th place** on **Spelling shed**. I know many of you are working incredibly hard on your spellings but please tell your friends they must go on Spelling Shed to practise their spellings and get our class moving up! Come Year 3!

Access your Read theory account and carry out the reading tasks and comprehension questions.

Epic Books

As well as using Read theory continue to use EPIC kids which is an online site full of books. Click on this Epic picture and use our class code **zrs9822** Next, click on your name and get reading. We have assigned some books to get you started.

We will be able to see how you are doing as it will send us updates as to what and how much you have read. Happy reading!

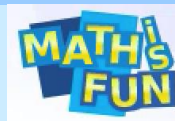

First News

Read this week's edition of First News via Seesaw Class Announcements.
Released on Monday mornings.

Maths tasks

Click on the image above and explore the 'Maths is fun' games.

Keep practising your TT Rockstars and why not challenge a friend to a 'Rock Slam'!?

Click on the White Rose link above to take you to the Year 3 videos.

Please click on the 'Premium Resources' link above to access the worksheets.

To access your Maths resources, you need to scroll down to Week 10 (6th of July) as we are a week behind.

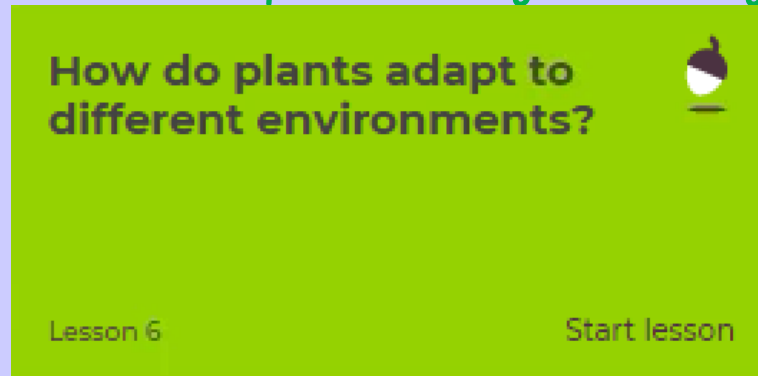

Explore these Active Maths tasks (which we are used to using in school) as and when you feel you would like to.

Science

Plants Lesson 6:

To find out how plants adapt (change) to different environments.

You'll need: a pencil and a pen; a ruler; colouring pencils, a notebook or paper. This is the last in this series of lessons on plants! Well done for following all the lessons to this point and your Science work has truly shown how much new knowledge you have acquired this half term.

Looking forward to seeing your learning on how plants adapt to different environments. You can upload your photos onto Seesaw. *Click on the image above and scroll down to Science, Plants, Lesson 6.*

Keep your work well presented focussing on your continuous cursive letters.

Looking forward to seeing your Science work!

Topic tasks

Recap from prior learning (click on image)

Ancient Civilisations: Indus Valley

The Ancient Egyptians were truly incredible but they weren't the only ancient civilisation to achieve great things. This week, learn about the Indus Valley civilisation. Can you create an information poster based on the achievements of the Indus civilisation? Find out where in the world their civilisation grew. Click on the picture above and use all the videos and information to help you create your poster.

Foundation subject tasks

Computing Music Creation

Pupil Activity 3

Build a beat/rhythm, melody and sound effects.

Visit iLearn2 and use the 'Pupil Activity Code' **8889** to access the video guides.

Watch the video on iLearn2 to learn how to use 'Isle of Tunes' to create beats, melodies and sound effects using roads, cards, houses and other objects.

Online Safety at Home Activity Packs

Learn how to stay safe online with **Activity 8's** e-safety pack.

Each pack contains two 15 minute activities.

Click on the Thinkuknow image to access your pack.

You can access previous packs and the parent help guide if you wish.

Languages - Nature trails and French vocabulary explorers!

Go outside and design your own nature sculptures using these items. Bring inside or do activity outside and sketch or paint the nature sculptures and label in French. All these are new words to add to your growing vocabulary.

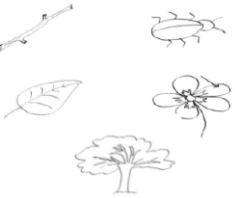

Work with your parents to find the pronunciation of these words on google.
Try sounding them out! Don't forget to say "un" or "une"!

Nature Trails
We're going on a treasure hunt to look for leaves, flower petals, trees, insects and more!

Step One
Look at each picture. Read each French noun. Try to understand the French noun with the help of the picture. Check your answers with the correct answers on the next page.

A  une brindille	B  un insecte	C  une feuille	D  une pétale	E  un arbre
--	---	--	---	---

Step Two
Let's build a nature sculpture.
Cut out each picture here. Build a paper tower sculpture.
• You can do this alphabetically.
• You can do this from smallest to biggest.
• You can decide an order of your own.
Glue this in your books.
Next to your sculpture, write the French nouns in the same order as a word tower. Try to write each noun in the shape of the object.

Thank you

Mr Berger-North
