

Well done on all the hard work you have put into your maths 'arrays' work last week. Arrays can be very tricky but it helps to remember that the rows go across the page and the columns go down. Keep practising counting in groups of 2, 5 and 10 as this will help you prepare for maths in Year Two.

We are sure you will all be very pleased to hear that these will be your final Year 1 home-learning tasks. Some of the tasks this week are 'summer themed' and we are sure you will enjoy completing them either this week or over the holidays if it is a rainy day!

This week's feedback task will be your 'Topic Task - Memories from Y1', so make sure you send us your videos before the 24<sup>th</sup> July.

We hope you are looking forward to meeting your new teachers on Friday and have a fantastic time!

Mrs Clough, Mrs Matt & Mrs Ramsden Smith
